

# Love Me Like It's Midnight

*by* Jerry Ratch

We are young  
That's all we've got  
We take drugs  
We smoke pot

You got mugged  
And I got shot  
We are young  
That's all we've got

I want you to love me like it's midnight  
Midnight, midnight  
Yeah, your mama wants you home  
But she knows you gotta roam

Love me like it's midnight  
We gotta get it right  
Love me like it's midnight  
And we're gonna have a fight

You got mugged  
And I got shot  
I'm a pig  
And you're a snot

I am cold  
And you're so hot  
I am bold  
Our bed's a cot

But we take drugs  
And we smoke pot

We are young  
That's all we've got

Love me like it's midnight  
We gotta get it right  
Love me like it's midnight  
And we're 'bout have a fight

Holy crap  
And holy cow  
You gotta do it to me  
Do it to me now

I want you to love me like it's midnight  
Midnight, midnight  
And your mama wants you home  
But she knows you gotta roam

Love me like it's midnight  
We gotta get it right  
Love me like it's midnight  
And we're gonna have a fight
