

Three short-shorts

by Marc Lowe

29

Wake up! But it was already too late for Charles. He pulled his bloody, severed leg from beneath the covers. Some dream, he said to himself, then promptly died.

36

Gina Blue was a misogynist. With a flick of her wrist, she wiped out all of the girls at school. Ironically, the bomb she detonated left only her, the one girl she hated the most, standing.

15

While eating an apple, Gregory realized his dog had, in fact, expired two weeks earlier.
