

# Lucky Strike

*by* Tim G. Young

I feel like a cigarette  
if I had one  
I'd smoke it  
Not smoking is cool  
but so is smoking  
though I don't smoke

If I had one  
I'd smoke it  
Now I'm talking  
about a joint  
some reefer  
I smoke reefer  
but  
there is none on hand  
or even in the pipe

I like the smoke going in  
but I like it even more  
when it's coming out  
because I can see it  
I know where its been  
a deeper part of me

Some day I might have  
another cigarette  
the ones with tobacco  
Just think how valuable tobacco is  
It has quite a history

Even not so long ago  
a history

like the Lucky Strike advertisement  
on the Jack Benny program  
the other night

The guy disrobed the paper  
from the tobacco and it still  
held its shape!  
That is good tobacco  
in my opinion  
In my opinion if I was going  
to have a cigarette  
then I would smoke a Lucky Strike  
LSMFT

LSMFT  
That's a slogan  
part of the Lucky Strike mystique  
One time ago absolutely everybody  
knew what those letters meant  
now probably not so many  
So I'll give it away  
Lucky Strike  
Means Fine Tobacco  
or as we used to say in  
Junior High School  
LSMFT  
Loose Straps Mean  
Flabby Tits  
What a laugh  
LOL  
one might say  
but then there was no  
LOL

Now it's time

to move on to another topic  
except I just thought of the  
hollow sticks I (we) would smoke  
when I was a kid  
They were harsh but  
they grew wild out in the  
back yard  
Free smoke  
that's what this is  
really all about
