

Wife is a four letter word

by Dulce Maria Menendez

And so is home.
And so is cash.
And so is bird.
But that is neither
here nor there
because it is
always flying.
And so is nest.
And so is gate.
And so is shut.
And if you add an s
to three letter words
you get dogs
and cats and kids
and so is pies
because you
have to eat.
And so is stay.
And so is gone.
And so is stop.
And so is work.
And so is life.
And so is dead
because who
knows how
much time
we really have
And so is left.
And so is back.
And so is here.
And so is blue.
And so is shit.

And so is fuck.
And this is where it
gets complicated
because so is love.
