

# Release My Pajamas

*by* Jerry Ratch

Early to bed, early to rise  
Makes a man dumber than  
An old rooster in disguise  
So just release my pajamas  
Please

I ain't asking for much  
Just release my pajamas  
Give me your salads  
Your omelets, your huddled masses  
Also, please pass the molasses

Okay, if you can't do any of that  
At least release my pajamas  
I ain't asking for much  
Just release my pajamas  
For God's sake

I Heard the Rooster faint  
Yeah, I heard the rooster faint  
But if you think I'm happy, I ain't  
So just release my pajamas  
Pretty please

Okay, yeah, that's me  
Shown here in pajamas  
Asleep at the human wheel  
Just as I slipped  
On a banana peel

And you may have heard a little squeal

Coming out of this big church tent  
But then I heard them saying  
*"You may now spank the bride"*  
Boy, that must have been one strange wedding!

And then I heard  
*"Yea, for I have seen the Father  
The Son, and the Holy Toast"*  
Okay now, something up was weird  
Inside *that* ole tent

So, pretty, pretty please just release my pajamas  
So I can get the heck outta here  
Before something else gets weird  
And we may all have to  
Spank the bride, spank the bride, spank the bride
