

# Season's End

*by* Steven Gowin

Well now

Just drank  
The last of the eggnog  
From a  
Smurf's juice glass

Formerly  
The vessel of fine  
Dijon  
Mustard authentic French

Over  
Half moon ice cubes  
From the  
Ice maker I finally fixed

During vacation  
Now  
Finished again with no upcoming  
Holiday

Cry cry
